Hello.

Students with certified IGETC (certified Intersegmental General Education Transfer Curriculum) or CSUGE (certified Intersegmental General Education Transfer Curriculum) will now have those certified transfer programs reflected on their Advisement Reports.

IGETC and CSUGE satisfy General Strand Math, Foundation Composition, Tier I Individuals & Societies, Tier I Traditions & Cultures, Tier II Arts, Tier II Humanities, and Tier II Individuals & Societies. Tier I and Tier II Natural Sciences as well as Diversity Emphasis can also be satisfied by IGETC and CSUGE but require advisor review and an exception. Per the policy "To complete the Natural Sciences, the student's college/major advisor will need to validate completion of two laboratory science courses at the transfer institution or at the UA. To satisfy the Diversity Emphasis requirement, the student's advisor will need to verify completion of a course that focuses on gender, race, class, ethnicity, sexual orientation, or non-western studies."

On the online Advisement Report IGETC / CSUGE satisfied lines will appear similarly to following example:

The screenshot displays a section of an online Advisement Report with the following content:

- Foundation Mathematics (RG1434)**
 - Satisfied:** Foundation Mathematics
- GE General Math Strand (R2654)**
 - Satisfied:** GE General Math Strand
- GE General Strand Math - IGETC / CSUGE (R2654/L1)**
 - Satisfied:** GE General Strand Math satisfied with certified Intersegmental General Education Transfer Curriculum (IGETC) or the California State General Education Pattern (CSUGE).
