

November 15, 2011

Dear Colleagues,

The Office of the Registrar and the Office of Undergraduate Admissions are announcing that the receipt of domestic college transcripts and the articulation of transfer credit for all undergraduate students will be centralized within the Office of the Registrar beginning December 1, 2011.

The centralization of these processes is primarily made possible by the enhancements, developments, and functional uses related to UAccess and our imaging systems, as well as our offices collaborating closely on streamlined business practices and efficiencies.

Please assist us in sharing this information with those it might impact and also in identifying and updating all related websites and publications. The delivery address for all domestic transcripts for undergraduate students will be:

Registration & Transcripts
The University of Arizona
Administration Building, Room 210
PO Box 210066
Tucson, AZ 85721-0066
Phone: (520) 621-3113

Thank you for partnering with us in facilitating this swift transition.

Much appreciation,

The Office of the Registrar and the Office of Undergraduate Admissions
