RE: Educational Sanction for Academic Integrity Violations now available

The Dean of Students Office is pleased to announce a new sanctioning option available for faculty when working with the Code of Academic Integrity.

Developed in partnership with the Academic Integrity Advisory Council, students found responsible for a plagiarism violation may now be sanctioned to an educational workshop that addresses issues of plagiarism, technical aspects of citation and individual academic ethics and integrity.

The ten-hour workshop will cover:

- Individual ethics
- Academic ethics
- Review of academic integrity
- Technical aspects of citation
- Research tools available through UA Libraries

The workshop will be offered over several sessions and at varying times to accommodate student participation.

Faculty members may still assign traditional sanction, such as loss of credit for the work involved or failing grade on the assignment, in addition to the workshop. The workshop may also be assigned as a stand-alone sanction. The educational workshop option is now available for selection on all faculty/student conference forms. Students will be assessed an \$80 monetary sanction to cover the cost of the workshop and will have six months from the date of the violation to complete the workshop. Students who do not complete the sanction within the time allotted may be subject to a Code of Conduct violation for non-compliance with the request of a university official.

Once the copy of the faculty/student conference form is received by the Dean of Students Office, our office will contact the student to register for the workshop.

The Code of Academic Integrity and faculty/student conference forms are available online at www.deanofstudents.arizona.edu. Please take a moment to bookmark this new web address for the Dean of Students Office.

The Dean of Students Office is also happy to join a college or department meeting to discuss academic integrity issues and procedures with faculty.

Please direct any questions or requests for presentations to Kendal Washington White, Associate Dean of Students, or Rebekah Coskun, Graduate Assistant for Ethics and Integrity, at 520-621-7059.
