

Here are updates from the ISS office:

- ISS will have an open house for students and staff tomorrow **Friday, August 25** from 1-2 pm. We will have Eegees and be ready to answer any questions you might have. Our location can be found [here](#).
- International students should be [enrolled full-time](#) and cannot have an excess of online courses or they will jeopardize their immigration status. Hybrid courses are counted as in-person units.
 - Undergraduate students: 12 units - **at least 9 units must be in-person**
 - If an undergraduate international student needs to be administratively dropped from a course due to nonattendance, please [contact ISS](#) for assistance.
 - Graduate students: 9 units - **at least 6 units must be in-person** (Graduate students with assistantship can have 6 units with **3 units in-person**)
- Most immigration requests are available as e-forms in [UA International](#), our online system for managing international student records. If your approval is needed, you will receive an email with a direct link to the e-form after your student submits the request. Requests through UA international include:
 - [Curricular Practical Training \(CPT\)](#)
 - [Optional Practical Training \(OPT\)](#)
 - [Program Extension](#)
 - [Full-Time Enrollment Exemption Form](#)
- ISS and the THINK TANK are once again offering an 8-week international student series, [Let's Talk About: A Culture and Conversation workshop series](#). Topics include American culture, classroom participation, academic skills, writing, public speaking and presentation skills, and career prep.

Please contact me for any questions.

Thank you,
Noelle
