Incoming Freshmen Final High School Transcript Requirement

For summer/fall 2017 students provided self-reported grades at the point of application and must provide official 8th semester transcripts to verify their grades. At this time we have received transcripts for 91% of the incoming freshmen class and verified their grades. The deadline for students to submit their final transcripts is August 1.

Students have a hold on their account as a service indicator titled FTV which stands for Final Transcript Verification. In order to take care of this hold students need to submit their final high school transcript with their graduation date. The hold will prevent students from registering for spring 2018. We are reaching out to students now who still need to submit their transcripts to make sure we have them before the start of the fall semester.
