Eller International Programs for Non-Eller Students:

Summer Eller International Internships (brochure attached)
In Barcelona, Spain; Hong Kong, China and San Jose, Costa Rica

Enhance your professional skill set, expand your global competency, work and live in a major metropolitan city for the summer, and gain hands-on work experience that you can highlight during future job interviews. This is an 8-week summer program which provides you with an all-inclusive opportunity to intern in Barcelona, Hong Kong or San Jose in the industry of your choice.

Eller College Business Administration Minor in Spain (brochure attached)

Come learn the basics of business, be exposed to the unique culture and economy of Spain, and earn nine units of University of Arizona general business minor credit: BNAD 301: Global and Financial Economics and Strategies; BNAD 302: Human Side of Organizations and BNAD 303: Marketing Principles, Concepts and Tools

Sports Management Minor in Europe (brochure attached)
This is a sports experience of a lifetime! Students will have the opportunity to attend the National Association of Collegiate Directors of Athletics, Wimbledon Tennis, British Open, Tour de France and the Olympics opening ceremony in London while earning 9 credits of sports management classes. Students will also have the opportunity to intern in the Olympics, visit facilities and network with sports executives.
