The A Center advises students as they explore the institution, affirm their educational goals, and attain a University of Arizona degree.

The A Center

Major Exploration Tools:

- MyMajors: 15 minute assessment to map your interests, skills, and values to 10 U of A majors
- MyCareers: Explore career options
- Strong Interest Inventory: An in depth inventory to explore your interests and their relation to major and career
- SERP 197P: Explore, Discover, Decide...Your Major: Our two-unit major exploration course

Goals

By engaging with advising in The A Center, students will be able to:

- Recognize the importance of academic advising to their educational journey
- Demonstrate an active role in the advising partnership
- Determine relevant campus resources for their educational journey
- Articulate the major/career/professional school relationship
- Interpret their Advisement Report to help successfully enroll in courses
- Formulate a major declaration (and/or parallel pathway) plan
